Conclusion

"The 2025–2026 fiscal year demonstrated the continued importance of the DGGR Student Financial Support Program in helping Déłıne beneficiaries achieve their educational goals. Through financial assistance, graduate awards, and ongoing student support, the Department enabled beneficiaries to pursue university, college, trades, and upgrading opportunities across Canada.

College programs continued to represent the largest area of enrolment, while institutions such as Northern Lights College and Mackenzie University remained the most attended by beneficiaries. The issuance of 35 graduate awards during the reporting period further highlights the educational achievements of students.

As educational needs continue to evolve, the Education Department remains committed to providing equitable, accountable, and responsive support that helps beneficiaries succeed academically while strengthening the future workforce and leadership capacity of Déłıne."
