RE: Approval of Dene Gha Gok'ə Réhkw'I (DGGR) - Student Financial Support Top-Up Funds

Dear

The Délne Got'ne Government Department of Education who oversee the DGGR - Student Financial Support Program Policy have received and reviewed your recent application and would like to congratulate you on your approval for Top-up funding.

The following is a breakdown of the funds that you have been approved:

Semester	Type of Assistance	Amount
	Semester Stipend	\$
	Monthly Allowance	\$
	Total	\$

This program is available to registered Délne beneficiary students enrolled under the land claims agreement and provides supplementary top-up funds to assist students who are already in receipt of primary funding. Students may access primary funders such as GNWT Student Financial Assistance or through the Post-Secondary Student Support Program but not both.

Students must inform the Education Department of any changes to their enrollment or funding during the academic year (examples include but are not limited to withdrawing from a course or program, dropping to part-time studies, or receiving funds from another land claim). Failure to do so will result in suspension from the top-up program.

Funding is approved per semester; students must re-apply for future semesters. To do so, please contact the Post-Secondary Student Support Officer or visit www.deline.ca to fill out the required forms.

We wish you the best of luck in your upcoming/current semester and are happy to offer support as needed! Don't hesitate to reach out at any time!

Kind regards,

Wajiha Shah
